Kosovo and COST Action 19130

We participate in many conferences with papers, such as:

- ❖ Fintech: A New Way for Women's Financial Inclusion (Coimbra, Portugal)
- ❖ A Perspective on Central Bank Digital Currency in Western Balkan Countries (Brussel, Belgium)
- ❖ Risks of Fintech Companies to financial stability: Regulatory and supervision practices in CEE (Zagreb, Croatia)
- ❖ Assessing digital and financial inclusion in CEE countries (Utrecht, Netherlands)
- ❖ The Challenges of FinTech in the Western Balkans (Tirana, Albania)

We participated in organizing

Women in FinTech (I-IV) as part of organizing and scientific committees

We participated in two WMGs, and through them, we organized two international competitions between students:

- ❖ “Best WI-FI 2023 Young Researcher Paper—FinTech Contest”, 2023 (Coimbra, Portugal)
- ❖ “Woman in Fintech Datathon”, 2022 (Tirane, Albania)

Thanks to Cost Action 19130, for the first time at our university, we have included courses about FinTech.

Impact

- ❖ Informing a wide audience about our COST Action 19130 and activities
- ❖ We have raised many important issues related to Kosovo and other Balkan countries related to various topics in fintech
- ❖ We have contributed to the participation of many young people in various competitions.
- ❖ For the first time, we have included in the Faculty of Economics of the University of Prishtina "Hasan Prishtina" courses such as Financial technology, Advanced financial technology, and Digital finance.
